8. CPF are now following up on By-laws such as public drinking and loitering and there have been arrests.
9. The vehicle and fuel costs are very high but they are patrolling 24/7 which combined with the cameras is why we are safe.
10. Bennie reminded people that if they need emergency medical assistance they should contact CPF who can ensure assistance arrives quickly to the correct location.

11. There has been a drop in gates and garage doors open but this is still too high.
12. Document service by the SAPS: Police signed off 1057 documents this year, it is important the reservists keep going as only SAP can arrest criminals.
